DETAILED ACTION

1. Claims 1-17 and 21-26 were cancelled.

Examiner's Comment

2. The following is an examiner's comment: The claim rejection under 35 U.S.C. §112 are withdrawn in light of Applicant's amendment. The examiner would also like to note that she agrees with Applicant that she is unaware of any non-vertebrate GLPs, only those that are "lower vertebrates", "primitive vertebrates" or "ancient vertebrates". The double patenting rejection is withdrawn in light of the fact that Applicant's argument "improving the function of gastrointestinal tissue" is not obvious over "promoting the growth of the small intestine tissue". Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jennifer I. Harle whose telephone number is (571) 272-2763. The examiner can normally be reached on Monday through Thursday, 6:30 am to 5:00 pm,.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Bruce Campell can be reached on (571) 272-0974. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
